In Memoriam

JOHN SCHMITT

John was a member of the class of 1967, and would have graduated along with his many friends and classmates if he had not been taken away from us by a tragic water accident. This occurred on June 19, 1964.

We wish to take this opportunity to let John's parents, Mr. & Mrs. Walter Schmitt, know that we still think of him and will remember him always.

LOCAL SUPERINTENDENT'S MESSAGE

The 1000-67 school term was a year when several activities were deserving of mention in the Yearbook. The construction of the adoltion to the school facilities designed to make all buildings better serve the educational program it worthy of core. The beginning of a nongraded organization in the primary grades was put into practice this year.

The graduate giseneous line so many past classes of Ottovine High School, have provided the leadership and constructive school attitude which has become a characteristic of eniors of the School. There is no do for in my mind that the majority of individe a in the Class of 1967 will be a credit to their partners their conmunity, and their school.

Bob Petit, one of the greatest ball players of all times, wrote "Find a worthwhile goal in life and persist toward it... Remember that what you think of yourself is what you tend to become... Learn self-discipline... Never quit on the first first

That philosophy was most exemplified by this year's team. They picked a goal to become a good defensive team—with more wins than losses, thought of themselves as winners, and through self-discipline and practice achieved that goal. The scores of games, both won and lost, testify to the fact they never quit. They became the top defensive team in the control on the All-County first team and Bill Altenburger on the second team. The record for this year's Big Green squad was 12 wins—7 losses overall and 6 wins—2 losses in Putnam County League play for a third place finish.

Reserves in huddle

I want to congratulate this year's Reserve Basketball team on their winning season.

'To have a winning season was one of our season's goals, and, with the dedication, determination, and plain hard work that you displayed all season, it is not too surprising that you accomplished nany of your goals.

"I wish you continued success in your varsity experience in the coming years and am pleased that you left future reserve teams with the challenge to work harder and improve on the job you began."

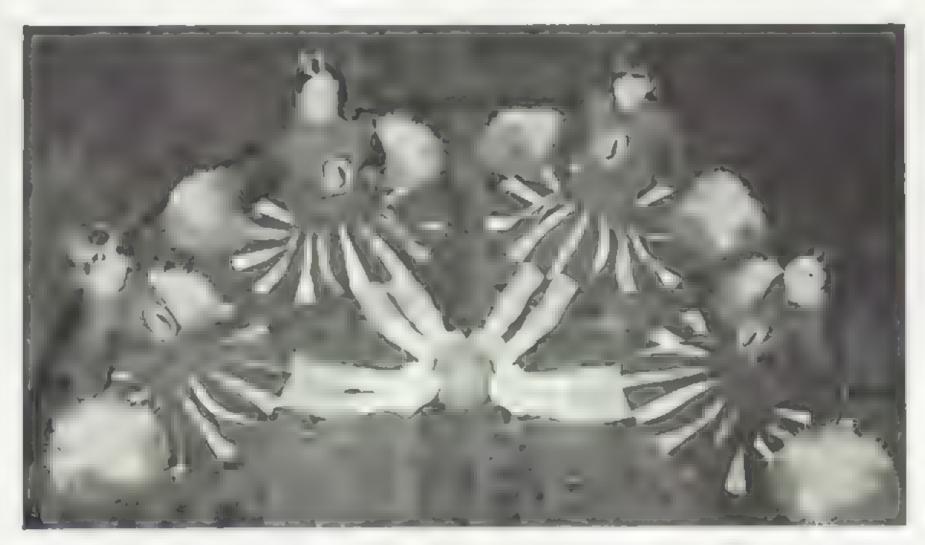

> Assistant Coach MR. TAYLOR

Beginner's Luck? No, it wasn't beginner's luck that led the G. A. A. to victories this year....it was hard practice, acquired skill, desire, and more important, team spirit. No one could have asked the girls to do better during their first year of competition. Both teams have improved more in six months than average teams do in two or three years. The Ottoville "Little Green" always looks to the future, and there is a great future in store for the girls during the next few school years. The girls presently in G. A. A. should feel very proud of themselves and their teammates.
